New Business

Introduction:

As it was the first meeting of the 3rd semester, activities for the semester were decided.

About the Activities of the Committee:

Mr. Anil Karaniya explained the Activities for the committee. The first activity is the

1] "Show Casing the previously done project" to fellow students and the faculties to encourage them to do the same and put the committee name out there. These sessions will be held on approx. 3 consecutive Fridays.

2] "Creating the curriculum for the workshop" which will be held one month after BCA juniors start their college. 'Getting started with programming' will be the topic of the workshop (subject to

change). This will help juniors and other students to start their journey in programming swiftly and will also introduce the committee to them.

3] "Conducting Hackathon" in the college. This will be the first event held by the OSP Committee.

4] Finalising the Logo and Slogan of the committee this month.

5] "Creating the website for committee blogs" which will be published on different topics related Tech world.

Decisions:

I] Every member has to make Mini-Project. The topic and the submission date for the first Mini-Project have to be finalized.

II] There has to be at least one Workshop this semester.

Agenda for Next Meeting

Topic for the Hackathon will be decided in the next meeting

Date and Topic for the Mini-Project
