Introduction:

As it was the first meeting of the OSP Committee all the members present gave their introduction and named the programming languages they are good at.

About the Activities of the Committee:

Mr. Anil Karaniya explained the Activities and rules of the committee. The first activity is the I] "Main Project" in which all the members will contribute and in the end have the experience to work with the group.

II] "Mini-Projects" in which everyone has to make some Mini-Projects and explain their motive, working, future use, definition, and steps to use the Mini-Project and in turn, helps to learn Documentation skills.

III] "Blogs" on various powerful tools, not software unless necessary which are underrated but very useful and powerful.

IV] "WorkShops" on various topics for one day or a week. Members have to teach the participants in the workshops.

Decisions:

I] Every member has to make Mini-Project. The topic and the submission date for the first Mini-Project have to be finalized on Monday 17, 2022.

II] There has to be at least one Workshop this semester.
